Dear teachers,

As we all know, tickets have already gone on sale for our Folk Dancing Festival's concert, and many of you have already asked to know where your groups will be dancing in the arena. Unfortunately, we were not fully prepared to disclose this information to everyone at this early date. As such, we are sending you the first draft of the arena's layout for the Vaikai, Jauniai, Vyresnieji, and Pagyvene age groups. Please understand that these specific layouts may change, however we will do our best to keep each group within the same area of the arena as best as possible as we continue to create and come up with all of the formations.

In each square you will find a group's name and number. This is your circle's number for the Festival's concert. Please memorize this number and make sure that each of your dancers know this number.

*****The groups that are dancing "Runda", please start rehearsing with the correct music. It is available on the Dance Festival's website.**

Pagarbiai Jūsų
